## THE 1967 TOWN REPORT IS DEDICATED TO

Mrs. Gladys Chapman,  
Librarian 1933-1967

Mrs. Helen F. L. Gowen,  
Trustee 1943-1967

in grateful recognition of their years of  
service to Wiggin Memorial Library and  
the town of Stratham.

## TOWN WARRANT TO BE ACTED ON MARCH 12

### STATE OF NEW HAMPSHIRE STRATHAM TOWN WARRANT

To the Inhabitants of the Town of Stratham in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stratham on Tuesday, the twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to amend the Zoning and Land Use Ordinance adopted at the special Town meeting held June 10, 1959, as follows:

(a) To amend Paragraph 1, Section J. Article IVA by adding at the end of the first sentence the words "conforming with the requirements of existing regulations, statutes, and pub-

lic health" so that Paragraph 1, Section J, Article IVA amended will read: "Before a Building Permit may be issued for a commercial use, the Owner must file with the Board of Selectmen a plan showing the location of all wells and the location and details of all waste and sewage disposal systems conforming with the requirements of existing regulations, statutes, and public health. This plan must be approved by the Board of Selectmen before a Building Permit is issued."

(b) To amend Section E, Article XIV by adding at the end of the second sentence the words: "and private roads shall conform to the requirements of Land Subdivision Control Regulation, Section IV" so that Section E, Article XIV amended will read: "Frontage means the length of the lot bordering on the public right of way and/or private right of way. Developments on private roads are subject to the same zoning regulations as those on public roads and private roads shall conform to the requirements of Land Subdivision Control Regulations, Section IV."

(c) To amend Article II by adding the words: "(4) Mobile Home District" so that Article II amended will read: "For the purpose of this Ordinance the Town of Stratham is divided into districts as shown in the zoning map filed with the Town Clerk and dated, and including the following: (1)

Residential-Agricultural District; (2) Industrial District; (3) Commercial District; (4) Mobile Home District."

(d) To add Section I under Article IV to read as follows: "I. No mobile homes or trailers, so-called, shall be permitted in a Residential Agricultural District."

(e) To delete Article VI and substitute in its place the following article to read:

#### "ARTICLE VI MOBILE HOMES DISTRICT

The Mobile Homes District shall meet the following requirements:

A. Dwellings permitted in the Residential-Agricultural District are permitted in this District.

B. A single trailer or single mobile home may be located anywhere in this District provided it meets all frontage, front yard, side and back yard, minimum land area, and sanitary protection requirements specified in this ordinance for buildings and lots located in the Residential-Agricultural District.

C. Trailer Parks and Mobile Home parks are permitted in this District if they meet the requirements of Article VI, Section B, above."

(f). To add the following description of the Mobile Homes District:

"Beginning at the junction of Willowbrook Road on Lovell Road, so-called; thence running northwesterly along the center line of said Lovell Road to the junction of Portsmouth Avenue on the easterly side of Lovell Road and to the southerly property line of property owned by David Noyes, et ux on the westerly side which Noyes property is located at the northwesterly corner of the junction of Portsmouth Avenue and Lovell Road; the easterly and westerly bounds of said Mobile Homes District shall be parallel to the center line of said Lovell Road and each bound shall be 400 feet from the center line of said Lovell Road."

4. To see if the Town will vote to amend the Building Ordinance adopted at the annual Town meeting held March 12, 1957, as follows:

(a) To amend paragraph f, Section 1, Article IV by adding at the end of the first sentence the words "conforming with the requirements of existing regulations, statutes, and public health" so that paragraph f, Section 1, Article IV amended will read: "No Building Permit shall be issued for a building or structure unless the applicant shall have submitted to the Building Inspector an adequate plot plan showing the location of wells, the location and details of the sewage disposal system including the size of the septic tank conforming with the requirements

public health. This plan must be approved by the Building Inspector before a Building Permit may be issued, and, if he deems it necessary, the building Inspector will require submission of a percolation test report by a registered C.E."

5. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) to purchase new equipment for Wiggin Memorial Library including a fire extinguisher, two new student chairs, a wall movie screen and a portable typewriter.

6. To see if the Town will vote to raise and appropriate the sum of three hundred fifty-seven dollars (\$357.00) to install aluminum storm windows and screens at Wiggin Memorial Library.

7. To see if the Town will vote to raise and appropriate the sum of One thousand dollars (\$1,000.00) for the purpose of continuing construction of the new cemetery.

8. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Sixty-three dollars (\$1,563.00) to buy Visiting Nurses Services for the inhabitants of Stratham from the Medicare Certified Exeter Visiting Nurse Association and send one representative to serve on the Board of Exeter Visiting Nurse Association.

9. To see if the Town will vote to

raise and appropriate the sum of One thousand dollars (\$1,000.00) to be used for conservation purposes within the town.

10. To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000.00) to purchase and develop the land of David and Elizabeth Noyes on the south side of Route 101, adjacent to Stratham Hill Park, said sum to be raised by sale of the Town's notes or bonds, and to delegate to the Selectmen all matters of form, rates of interest, dates of payment and the sale of said notes or bonds.

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed thirty thousand dollars (\$30,000.00) for the purpose of purchasing land and constructing thereon a new Town Office building including landscaping, furnishings, and equipment, said sum to be raised by the sale of the Town's notes or bonds, and to delegate to the Selectmen all matters of form, rates of interest, dates of payment and the sale of said notes or bonds.

12. To see if the Town will vote to allow the Selectmen to borrow money in anticipation of taxes.

13. To see if the Town will vote to allow a 1% Discount on such property taxes as are paid within 30 days from the day the Tax Warrant is committed to the

of existing regulations, statutes, and Tax Collector, the date to be printed on the tax bill.

14. To see if the Town will raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to install a new siren on top of fire house: this sum to be supplemented by an additional One Thousand and Dollars (\$1,000.00) by the Volunteer Fire Department.

15. To see if the Town will vote to elect a Treasurer for a three (3) year term.

16. To see if the Town will vote to elect a Town Clerk for a three (3) year term.

17. To see if the Town will vote to elect a Tax Collector for a three (3) year term.

The three previous articles are under petition of James I. Scamman and ten (10) others.

18. To transact any other business that may legally come before this Meeting.

The Polls will open from 10:00 a.m. to 7 p.m. at the Lower Town Hall to elect Town Officers and to act upon Articles 3, 4, 15, 16, 17. The discussion and action of other Articles in the Warrant at 8:00 p.m. in the Upper Town Hall.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and sixty-eight.

JOHN C. HUTTON, JR.  
RICHARD G. SCAMMAN  
ROBERT T. WIGGIN  
Selectmen of Stratham

## PLANNING BOARD'S ACTIVITIES

January 26 and February 13, 1968, the Planning Board held public hearings relative to proposed amendments to the Zoning and Land Use Ordinance pertaining to control of mobile homes, frontage on private roads, and sewage disposal regulations and a proposed amendment to the Building Ordinance pertaining to sewage disposal regulations.

The proposed amendments with regard to frontage on private roads and sewage disposal regulations would simply augment and clarify existing regulations, but the proposed amendment with regard to mobile homes would establish a definite district in which mobile homes would be permitted and would not permit their location in other areas of the Town.

The proposed mobile home district would be 400'-0" deep on either side of Lovell Road from its junction with Portsmouth Avenue to its junction with Willowbrook Road with the exception of the Noyes property at the corner of Portsmouth Avenue and Lovell Road which would be excluded from the District. Citizens will vote on these proposed amendments by ballot at the annual Town Meeting, March 12.

The Planning Board recognizes the need for improving and updating our present Building Ordinance. The task of writing a proper Building Ordinance is a difficult and time-consuming project and we hope to be able to offer definite recommendations in this regard before the 1969 Town Meeting. We have been studying codes of other towns and cities, building standards established by the FHA, and the National Building Code. We will probably recommend that certain applicable sections of the National Building Code be adopted by reference.

The Planning Board has commenced the study of a Master Plan program for the Town and has drawn up a list of some 17 objectives for such a program. In this connection, the Board invited to a meeting on January 3, 1968 the School Board, Build-

ing Inspector, Chief of Police, Highway Agent, Fire Chief, Conservation Commission, Board of Selectmen, Stratham Park Association, the Trustees of the Wiggin Memorial Library, and the Board of Adjustment at which meeting these objectives were outlined and discussed.

During the year, The Board purchased an up-to-date set of cronaflex aerial photographs of the Town (Scale 1" = 300') which are on file at the Town Offices.

## 1967 REPORT OF THE STRATHAM CONSERVATION COMMISSION

Your Stratham Conservation Commission after being appointed by the Board of Selectmen, organized on April 18th with Robert Goodrich as chairman, Robert Stuart, Secretary, Mrs. Evelyn Schoch, publicity chairman and Mrs. Vi Roberts and Fred Nason completing the five member committee. The Commission held a meeting in May with Mr. Floyd Barker, Town Conservation specialist with the New Hampshire Extension Service, and the Selectmen, Planning Board. Mr. Barker explained the scope of the activities carried on by such commissions and also listed various assistance available both informative and financial.

The Commission was charged with the responsibility of drawing up plans for the development of the proposed addition to the Stratham Park. The Commission held a total of nine meetings, toured the Stratham Hill area and visited the Park Development of the town of Derry. They also had the assistance of several State and Federal experts in the area of recreation and woodland park development. A plan had been drawn up and presented to the Selectmen.

The commission also conducted a survey of the residents of the town regarding the conservation needs of the town with

the assistance of 11 town young college students during the Christmas vacation. The Commission plans to hold regular meetings at members' homes the third Monday, of each month. Any town residents are cordially invited to attend.

Community Church is important landmark

Total	\$281,000

## PARK NOTES

### 5,000th VISITOR

The 5000th visitor pushed through the turnstile at the New Hampshire Forest Fire look-out tower on top of Stratham Hill, most of the leaves had left the hard wood trees, frost was in the air, facilities at the pavilion down at the Park were closed for the season, and yet people were still coming to Stratham Hill Park for that scenic splendor.

That's the count of visitors to the lookout tower according to New Hampshire Forest Fire Dispatcher, Clayton Eastman. Thousands more never climbed the tower, says Clayt, and judging from the use of the trails and facilities at the Hill, the Park Association would estimate that 25,000 people had used the Park for picnics, nature walks, a climb to the summit, and a view from one of the two vistas. This count does not include any baseball or functions put on by the Town. Yes, Stratham Hill Park is USED.

The Department of Interior, Washington, D.C., states that recreation throughout the USA is growing faster than its facilities, and most areas are crowded, especially near large populated areas. It is estimated that by the year 2000, the recreation public will triple that of today.

The Hon. Edward Tuck, in the year 1905, realized the need of a park for

this area. How great is the need today, and how much greater will be the need in the year 2000. Will the acreage be sufficient to meet the needs of the future? The Park Association believes it is not. Therefore, it is the hope of the Association, that the Town of Stratham will purchase, this year, while available the adjoining acres known as the Noyes Lot.

The By-Laws of the Stratham Hill Park Association were re-written and adopted in June, 1967, ten years after the original By-Laws were written. The officers of the Park Association are now known as the Executive Committee.

They shall consist of the three selectmen of the Town, President, Secretary and Treasurer of the Association and three other persons, one elected at each annual Park Association meeting in April, for a three year term. They shall be the Executive Officers of the Association and shall be charged with the day to day operations of the Association. There shall be annual dues; the sum to be set by the Association at the Annual Meeting, which shall be payable on April 1st of each year. All dues not paid by July 1st of each year are delinquent, and the member loses his vote.

Members are any person of lawful age who wish to associate themselves with Stratham Hill Park.

1. to maintain its natural beauty.

2. to keep the facilities therein in usable condition.
  3. to improve the grounds and keep them free of offensive matter.
  4. to assist in enforcing the regulations laid down by the Selectmen of Stratham for the orderly use thereof
  5. to attend Annual and Special Meetings, and keep dues in good standing.
- Submitted by:

The Executive Board, Stratham Hill Park Association: George R. Brown, President, Nelson Barker, Vice President-Robert Calef, Treasurer, Christopher Rowe, Charles Nelson, Donald Littlefield. Selectmen: John Hutton, Richard Scamman, Secretary, Robert Wiggin.

## FIRE DEPARTMENT

The Stratham Volunteer Fire Department, due to a rainy spring was not hampered by its usual amount of grass and woods fires, but was called upon to help Exeter, Newfields and Greenland on a few occasions. The worst fire of the year occurred at the Douglas Scamman farm in which help was needed from Exeter to contain the fire from spreading into the newly constructed barns.

This year the department has an article in the warrant, asking the town for a \$1,000 to help us pay for a more powerful siren.

We feel this is necessary in order to continue its efficient and prompt service to the town.

**JAMES SCAMMAN,**  
Fire Chief

## WIGGIN MEMORIAL LIBRARY

A grant of \$100.00 was received to add to our reference collection.

This past year, in compliance with the requirements of the State wide Library Development Program, of which we are a charter member, policies concerning objectives, book selection and librarians' and trustees' qualifications and responsibilities have been written. A system of periodic registration has also been developed to aid in keeping up to date records.

### OTHER ACTIVITIES:

The Library was kept open on town meeting day, for the convenience of the public. During National Library Week, in cooperation with the Friends of the Library, the library was open every evening. Two special film programs were held, one for pre-school children and one for school children, with the attendance of 35 and 168 respectively. A special program was held one evening with author John Yount from UNH as the guest speaker.

Kindergarten children visited the library one morning for a special story hour. The 6th and 7th grades from the Memorial School were invited for a morning session of instruction and practice in using the library more advantageously.

A children's reading program was held in the summer, followed by a special film program for the participants. During the past summer also, the library was visited by a group of librarians from the Public Library Techniques Program at UNH.

The Library has assisted 3 young people in obtaining merit badges in the Scouting Program. In keeping with our policy of cooperation with all town organizations, the exhibit case has been offered to local groups. The space over the mantel is now being used for art work, produced by local artists.

A special book exhibit "Freedom of the Mind" was borrowed from the Southeast District Library Office. These books were

available to patrons for a three month period.

Beginning in October, film programs of interest to all ages have been, and will continue to be held, on the third Monday of each month.

The Librarian, Assistant Librarian, and two trustees attended New Hampshire Library Association meetings in Concord. The Assistant Librarian and two trustees attended sessions of the New England Library Association meetings in New Castle, and also the statewide meeting of all library and affiliate associations in the state, which was held in Manchester. Three book meetings and 4 Advisory Council meetings for the Southeast District were also attended by the Assistant Librarian. Two more courses in the Public Library Techniques Program given at UNH have also been completed by the Assistant Librarian.

Through the generosity of the Friends, cushions have been placed on all the window seats, and special lighting has been installed over the study tables. An Unabridged Random House Dictionary has also been gratefully received from the Friends.

Two book display cases and two study tables have been added to the library facilities. A new furnace has also been installed.

# TAX COLLECTOR'S REPORTS

JANUARY 1, 1967 TO SEPTEMBER 5, 1967

Summary of 1966 Warrants Combined Prop-  
erty, Poll and Head Taxes

	<i>Debits</i>
Uncollected as of December 31, 1966	
Property Taxes	\$ 32,203.08
Poll Taxes	236.00
	<u>\$ 32,439.08</u>
Added Taxes	62.00
Interest Collected on Properties	606.76

## REPORT OF THE SCHOOL BOARD

The budget for next year has increased by \$10,700. This is a 5.5% increase and is consistent with the general trend in costs of education. We expect to educate approximately the same number of children both at the Memorial School and the Area School in Exeter. Tuition rates at junior high school and high school are increased 5.6% and 9.5% respectively. The additional cost to Stratham is \$9,400. Salary increases for teachers at the Memorial School total about \$3,400.

Our payment of debt principal will decrease from \$13,000. to \$9,000. next year. The following year, because of a prepayment, the principal payment will be only \$2,000. From 1970 through 1974 the payments will be \$5,000 per year and 1974 is our last year of payment.

The board has great admiration for Mr. Hoyt who retires this year as Superintendent of Schools. We wish him well and thank him for all the valuable help and advice that he has given to Stratham as it has grown from a District with three single room schools to a District with a modern 10 room Elementary School.

## SUPERINTENDENT OF SCHOOLS REPORTS

To the School Board of Stratham, N.H.

It is with mixed emotions that I submit my twentieth and last annual report as Superintendent of Schools.

I take this opportunity to express my sincere thanks to the members of the school board, past and present, teachers, supervisors, members of the Parent-Teacher Association and to the citizens for the support given to me during this period of years. I shall always follow with interest the progress of the schools with which I have been so closely associated. There is evidence to show that by working together we have been successful in obtaining better school facilities and in continually improving the curriculum and program of studies for the boys and girls of this community.

The school year began with the following teaching staff:

Mrs. Gwendlyn Allen, Principal Remedial Reading

Mrs. Sarah Leuba, Grade 1

Mrs. Ruth Sargent, Grade 1

Mrs. Adeline Liberatore, Grade 2

Mrs. Katherine Peabody, Grade 3

Mrs. Bertha Wiggin, Grade 4

Mrs. Anna Troy, Grade 5  
 R. William Turner, Jr., Grade 6  
 Mrs. Regenia Matthews, Art  
 Mrs. Sally Wool, Music  
 Mrs. Virginia Holder, Nurse  
 Mrs. Anna Pike, Physical Education  
 Harold Matava, Handwriting

Because of the large enrollment in grade 1, it was necessary to have two sections of that grade. Mrs. Sarah Leuba replaced Miss Nancy Bartlett and Mrs. Ruth Sargent was transferred from the upper grades and they serve as the two teachers of this grade. Mrs. Anna Troy replaced Mrs. Marian Burwell who retired after ten years of competent and dedicated service in the Stratham schools as teacher of grade 5. Mr. R. William Turner, Jr., was employed to teach grade 6 as successor to Mr. John Danahy who resigned.

The enrollment as of December 22 was as follows:

Grade 1	46	Grade 4	31
Grade 2	33	Grade 5	28
Grade 3	29	Grade 6	22

This is a total of 189 for six grades as compared to 192 for seven grades for a corresponding date a year ago.

The Stratham Title I project continues to provide a program of remedial reading

and of speech therapy to those pupils who are in need of special help in these areas.

The tuition rates for 1968-1969 as approved by the State Department of Education and announced by the Exeter School Board are:

Estimated Per Pupil Cost for 1967-1968	
Senior High Students	\$606.62
Rental charge	\$ 28.38

---

\$635.00

Estimated Per Pupil Cost for 1967-1968	
Junior High Students	\$518.23
Rental charge	\$ 46.77

---

\$565.00

These estimated per pupil costs for 1967-1968 compare with the state average per pupil costs of 637 for high school and \$549 for junior high school exclusive of rental charges.

The AREA Junior High School was opened on schedule to six hundred and thirty pupils on September 6. This is a very attractive and functional building and provides the students with a broadened curriculum. The building has made it possible to implement fully the AREA School Plan for the six school districts involved for grades 7-12.

The amounts of State Aid received by the Stratham School District for the last two years are listed:

State Foundation Aid	1966-1967 Building Aid	Sweepstakes
\$18,460.35	\$3,981.00	\$4,677.71
	1967-1968	
\$22,024.65	\$3,981.00	\$2,650.53

Mr. Frederick King, Teacher Consultant for Supervisory Union #16, describes some of the work which he is doing as elementary school supervisor and director of curriculum as follows:

As a teacher consultant I must assume a leadership role in the process of curriculum development, curriculum balance, articulation between grades, divisional levels and communities, and integration among the various subject matter areas.

If I were to list a group of action words to describe the consultant's tasks, I would say they might include encourage, stimulate, support, facilitate, guide, influence, suggest, question, challenge, demonstrate, coordinate and lead as I work with teachers.

Last fall at the opening school meeting as teachers gathered for the beginning of a new year I called for new aspects in learning that would bring about a vitality so much needed to successful classroom teaching.

We know, with considerable certainty, that the world of today's children will see new and changing patterns of social organization. One of my main tasks is to join with teachers in examining possible

changes and to take a leadership role in channeling these changes into educationally sound procedures.

The school holds a key position in the survival of our nation. A number of projects and pressures are appearing at various levels. The role of the teacher consultant as a curriculum leader takes on new importance as one sees the "flood" of ideas from the "outside". An examination of the new is essential but at the same time we must strive for effective utilization of the already proven materials and media.

This fall a new social studies guide was placed in the hands of our teachers. It is now being used as a guide for social studies instruction. It is not final. We will continue to discuss and examine it through teacher meetings and discussion. The classroom will be the true test of the guide's ability to bring about a "new life" to social studies. This is but one example of curriculum study.

The teacher consultant is concerned with the learner and the process of learning. We want children to be actively involved in their education. We need to be more concerned about the development of human beings capable of creative thoughts and action.

We can build wonderful schools, and provide a multitude of materials, but the teacher's job of helping the child see what is the full meaning of attaining skills and

knowledges will be the key to the future of our nation. The teacher consultant joins with the classroom teacher in a "partnership" for better education. If I, as a consultant, can communicate with teachers the observations, understandings, perceptions, enthusiasms, and beliefs which I feel and we share together these concerns for better schools, then I have no doubt but a more effective education will be realized. I will continue to serve this community with this philosophy.

I trust I have in this report pointed out to you, as citizens, a kind of philosophy or spirit that prevails as I work with the staff. It is not an item by item account of what was done this past year, but rather a communication to you of an attitude and commitment I have in continuing to develop a better school program.

I call your attention to the tables and reports which follow.

Respectfully submitted,

RAYMOND A. HOYT  
*Superintendent of Schools*

## SCHOOL HEALTH REPORT

### To The Superintendent of Schools:

School Health Services cover a wide field and are designed to include all that affects the well being of school children. This year physical examinations were offered to call Grade 5 children, new admissions the previous year, plus those children with conditions warranting the opinion of a physician, who would otherwise be unlikely to receive professional attention.

Vision screening was carried out by a volunteer mother trained by the school nurse — a service of inestimable value, conscientiously performed. Screening for hearing loss is done by the school nurse on children in Grades 1, 3 & 6, new students entering the school and upon any child with symptoms of possible hearing loss referred to the nurse.

Tuberculin testing was done on children of Grade 1, and Staff members in September. We shall, in cooperation with the N.H. Tbc. Association, continue this valuable diagnostic screening program each year and will include all allowed by the Association.

Special emphasis on dental health has been evidenced by demonstrations, clinics and dental health education. In the summer of 1968 we hope to benefit from a new State sponsored program offering free dental examination, cleaning, and

topical application of fluoride to all pre-school children, ages 3 to 6 years. This program is similar to the one presently sponsored by the Stratham P.T.A. available to all school children for a nominal fee. Parents are encouraged to take advantage of this opportunity for their pre-school children.

Pre-school clinic held on Registration Day is the best way we know of determining whether a child is physically and emotionally ready for Grade 1. A registered state dental hygienist is to be present at this time to examine the child's teeth and consult with the parent. We shall continue to hold our Lazy-eye clinic for the early detection of amblyopia in children of ages  $3\frac{1}{2}$  to 6 years.

Through education only can we expect returns from our efforts to establish good understanding and practices of health, hygiene, and safety. Special speakers, filmstrips, films, and other aids to enrich the health education curriculum are available — ideally for introduction in conjunction with special class units at a time when our material will be most meaningful to the students.

Parents are welcome to visit the health office for conference when there is a health-related interest which you may wish to discuss.

I am sincerely grateful for the support of the School Board, Superintendent of Schools, Principal Mrs. Allen, and all in-

dividuals and organizations whose interest has helped to make our health services more effective and far-reaching.

VIRGINIA D. HOLDER, R.N.

## SCHOOL DISTRICT WARRANT THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Stratham qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School in said District on Monday the eleventh day of March 1968, at eight o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen and pass any vote relating thereto.

2. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

3. To see if the School District will vote to authorize the employment of an assistant superintendent of schools for Supervisory Union #16, as provided in R.S.A. 186:11, XXII and XXIII, starting with the school year 1968-1969 and to raise and appropriate the sum of Eight Hundred Fifteen dollars (\$815) as Stratham's share of the salary, travel, retirement and F.I.C.A.

4. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

5. To transact any other business which may legally come before the meeting.

Given under our hands at said Stratham this fourteenth day of February, 1968.

HENRY SALTONSTALL  
DOUGLAS ROSS  
W. DOUGLAS SCAMMAN, JR.  
School Board of  
Stratham, N.H.

A true copy of Warrant—Attest:
